U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MICHIGAN  
DETROIT

IN Re:  
CITY OF DETROIT  
MICHIGAN  
Debtor

Chapter 9  
CASE No. 13-53846  
Hon. Steven Rhodes  
(Informal BRIEF)

CLAIMANT ALBERT O'ROURKE'S  
RESPONSE TO THE DEBTOR'S  
OBJECTION TO CLAIM NO. 458

ALBERT O'ROURKE  
IN PRO SE INFORMANT PAULIC,  
2316 PASO DE LAURA #223  
OCEANSIDE, CA. 92056  
(760) 453-2218

Comes now Claimant ALBERT O'Rourke  
and responds to the Debtor's objection  
to claim # 458, as follows:

I  
BANKRUPTCY RULE 3001  
STANDARDS ARE IN FACT  
clearly met by claimant  
AL O'Rourke in claim no 458

CITY of Detroit's/Debtor's counsel  
in their May 15, 2014 Brief claim  
that O'Rourke's claim number 458  
does not meet B.R. 3001 standard.

In fact, AL O'Rourke's ownership or  
(other) legal rights attaching to 2175  
Palms Ave (The O'Rourke Detroit  
property) are undisputed by City of  
Detroit. Such includes all of the  
(at one time) remaining "MANHATTAN  
Nuclear Weapon) MATERIALS of the LATE  
Project"

Dr. Raymond C. O'Rourke, Trained by both Detroit and The University of Michigan.

IT is not <sup>AL</sup> O'Rourke's fault THAT The Federal Government and State of California Government Took possession of vast amounts of such on / after Feb 9, 2010 in their "RAID" and Confiscation of such materials (violating 42 USC 1983 and 22 USC 32143 (22 USC 3001 - Helmski Final Act standards). They either destroyed or Transferred said Classified Nuclear weapons papers in violation of The "Patriot Act". Debtor City of Detroit is Assisting them still.

Nevertheless, some of such material, (originals or duplicates,) were / are still (?) AT / AROUND 2175 PALMS AVE Detroit, Michigan (or AT The University of Michigan)

Dr. Raymond C. O'Rourke, Trained by both Detroit and The University of Michigan.

It is <sup>AL</sup> not O'Rourke's fault That The Federal Government and State of California Government Took possession of vast amounts of such on / after Feb 9, 2010 in their "Raid" and confiscation of such materials (violating 42 USC 1983 and 22 USC 32143 (22 USC 3001 - Helms: Final Act standards. They either destroyed or transferred said classified nuclear weapons papers in violation of The "Patriot Act". Detroit City of Detroit is assisting them still.

Nevertheless, some of such material, (originals or duplicate,) were / are still (?) at / around 2175 Palms Ave Detroit, Michigan (or at The University of Michigan)

All AL O'Rourke Attempts to get such  
returned have been deliberately  
ignored to date by the increasingly  
hostile Federal and State (California  
and Michigan) authorities. Clearly,  
BR. 3001(f) standards are sufficiently  
met. The government cannot  
destroy Federal Evidence and then  
claim it is AL O'Rourke's fault  
that he does not submit such in  
his claim NO 458. Moreover, the  
"Trillion Dollar Claim", objected to by  
Debtor City of Detroit, is what it  
would cost to build the various  
nuclear weapons devices created,  
assisted, reviewed etc by Dr. Raymond  
O'Rourke (including numerous analysis  
of other nations' nuclear programs).

II

DEBTOR'S COUNSEL'S  
RESERVATION OF RIGHT  
(Bankruptcy Code 904)  
SPEAKS for ITSELF THAT  
Debtor IS ENJOYING The  
PROPERTY RIGHTS of CLAIMANT

Debtor's page 6, paragraph 23  
"Reservation of Right" (B.C. 904)  
is a "Dead Give-Away" or Implicit  
Admission THAT it has and IS  
USING These Classified Nuclear  
WEAPON MATERIAL. Again BR 3001 (+)  
standards are met, implicitly.

Wherefore, Claimant AL O'Rourke  
requests the Bankruptcy Court to  
Deny Debtor's objection to claim  
No. 458.

Dated

JUNE 3, 2014

Respectfully Submitted

Albert O'Rourke
